

HAMLET

CHARACTER SHIELD

WHAT BELONGS IN THE PANELS?

- 1: A list of adjectives and descriptive words that describes your character. You need to include at least 5.
- 2: A few quotes with something someone said TO your character.
- 3: An explanation of what these quotes (in panel 2) reveal about your character.
- 4: A drawing of a symbol that represents your character. Could be an animal, a stick figure scene, etc.
- 5: The most important quote your character has said TO OTHERS or in a SOLILOQUY.

Put your character's name in the center of the star, then decorate your shield and write your name on the back before you turn in for a grade.
